How does this work? Simply come to the Open House. Tour the places of interest. Select which place you want. *Pro tip: Be prepared to make a decision!*

Leases can be signed during the Open House tours at our downtown office; 322 Shelden Avenue, Suite 21, Houghton.

Want to beat the rush? You can snag one of these gems before the Open House. Sorry, no sneak-peek tours given before the Open House event. However, the website www.HoughtonForRent.com has a lot of information, pictures, and video tours. You can lease an apartment or house first, then later schedule a private tour of the property.
